Consideration of Bids for Transportation Facility Site Improvement

☒ Action Item
☐ Report/Discussion Item

Overview

Bids for the transportation facility site package (which includes storm water compliance, security fence, fuel tank replacement, lighting, Department of Natural Resources compliance, the addition of two new entrances, required dust-free parking, and a retaining wall on west side) were opened on Tuesday, August 27, 2013. The following bids were submitted:

Contractor	Total Cost
C.L. Richardson, Ashland, MO	$2,635,900
JC Industries, Jefferson City, MO	$2,787,000
Emery Sapp & Sons, Columbia, MO	$2,831,134
Glovecon, Fulton, MO	$2,937,785

The second part of the project (which includes transportation facility addition, ADA compliance, and other miscellaneous improvements) will be presented to the Board of Education for approval in the next two to three months.

Fiscal Impact and Funding Source

Funding for this renovation project will be through the Capital Projects 2012 bond fund.

Recommendation

It is the recommendation of the administration that, at its September 9, 2013, meeting, the Board of Education award the transportation facility site project to C.L. Richardson of Ashland, Missouri, in the amount of $2,635,900.
